The Frisco Community Development Corporation (FCDC) benefits the City and its citizens by developing recreational resources. It operates primarily within the geographic boundaries of the City. The capital expenditures are for purchase of park land and the development of community parks. Projects included in the FY 2008 Revised Budget are the continued development of the BF Phillips Community Park (\$8,318,321). The FY 2009 projects include participation in the construction of the Railroad Museum (\$250,000). The designated general reserve has been established as a board policy; 25% of the annual sales tax revenue and interest income is set aside for future needs. There are no budgeted personnel; City staff assist the board members.

Debt schedules for the FCDC can be found in the Debt Service section of this budget.
